Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 22 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Evening showers fading. Clear and cold overnight.

This Evening and Tonight:
Evening showers will soon die away, leaving a dry night with long clear spells. Feeling cold, with temperatures falling to low single figures of Celsius, and brining a chance of a slight frost in prone rural spots. Minimum temperature 1 deg C (34 deg F).

Sunday:
Dry, sunny start, but scattered showers developing. A band of more persistent rain then spreads east, reaching western parts by late afternoon. Winds also becoming strong, with coastal gales overnight. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Sunny spells and showers on Monday and Tuesday, some heavy with a chance of thunder. Further sunshine and showers for Wednesday, but generally lighter than previous days. Feeling cool throughout.
